

English Country Dance workshops Tuesday 27th March

English Dance workshops feature:

- Dances from 1650 to modern day with their historical and social context
- Technique and style guidance
- Fun and frivolity
- Friends and dance partners sharing experience and learnings

Where: North Canberra Baptist Church, 17 Condamine St, Turner, Canberra

(for visitors from NFF – southwards down Northbourne Avenue, turn first right just after the ABC666 Radio studios on Wakefield Avenue – watchout for our Light Rail road works which are causing chaos from NFF site right into City!!!).

When: 2nd and 4th Tuesdays monthly (Feb thru Nov), starts at 7:30pm.

Cost: \$7 MFS members, \$9 others.

As always, all dances are taught and called and, while it is always great to bring a friend and share the fun, there is no need to bring a partner.

Note: Thanks to Jim Lissaman who will be taking this class as I'm in Sydney on business.
